## The Best Outer Reef Locations

We have more outer reef moorings than any other sailing company in Cairns. This provides you with exclusivity and variety and allows us to choose the best sites for the conditions on the day. You'll be treated to an incredible array of marine life on pristine outer reefs such as Milln, Thetford, Flynn and Hastings, and other sites not frequented by the masses.

### Snorkelling and Diving:

Enjoy all the snorkelling and diving you want without a rigid schedule. Dive and snorkel amazing bommies, pinnacles, swim-throughs and drop-offs, including the famous *Three Sisters*. See Barracudas, resident reef sharks, turtles and our friendly Maori Wrasse. Never dived before? Then why not try an Introductory Dive for the ultimate adventure experience.

### Small Groups:

With a maximum of just 12 passengers on *Coral Sea Dreaming* and 10 passengers on *Santa Maria*, you'll experience personalised attention not possible on the larger vessels. With 3 crew to attend to all your needs, everything is done at a relaxed pace. It's up to you whether you choose to dive, snorkel or laze on the sundeck. Our aim is to give you a fun and exciting holiday and to show you the best that the Great Barrier Reef has to offer.
